How far should a man go to find his dream.
Allie Fox went to the Mosquito Coast.

He went too far.

Allie Fox (Harrison Ford) is possessed by an obsession. To escape with his family to a jungle paradise and build a new life for himself.

A fiercely independent man, Allie is

unhappy with the America of fast food, television, greed and crime. Packing up his wife (Helen Mirren), two sons and twin daughters, he boards a ship bound for the Mosquito Coast.

But carving out a life amongst the perils of the jungle, proves far more dangerous than Allie had at first supposed...

Harrison Ford stars in this spectacular adventure story of one family's fight for

survival in a dangerous wilderness...
