Dear Mr. Pedersen

We are writing in connection with your recent letter, regarding the distribution of Laservision discs in Denmark.

Unfortunately, we have to advise you that we do not have the rights to distribute outside of the United Kingdom and in the circumstances, therefore, we can only suggest you contact Philips Video direct at PO Box 298, City House, 420-430 London Road, Croydon CR9 3QR, to obtain further details on the distribution within Denmark.

We apologise for being unable to assist you further on this occasion.

Yours faithfully
