RE: BAD INFLUENCE and DOUBLE IMPACT

Gentlemen:

It has been brought to my attention that Laserdisken is distributing copies of the above-referenced pictures on laser disk in Denmark. Vision International, as agent on behalf of Epic Productions, Inc. and Stone Group Pictures, has the exclusive right to license BAD INFLUENCE and DOUBLE IMPACT in all formats on a world-wide basis and no such license has been granted to Laserdisken. Your distribution of these pictures in Denmark is an infringement on the rights of Vision International, Epic Productions, Inc., Stone Group Pictures and our authorized licensee in Denmark, Scanbox Danmark A/S.

We hereby demand that you immediately (1) cease and desist from any licensing, distribution or exploitation of these pictures, (2) destroy any and all masters, inventory or other material relating to the pictures in your possession or under your control and (3) send us a full written statement detailing your claim to the laser disk rights of these pictures in Denmark together with an accounting statement for all sums derived by you, your company or its subsidiary, affiliates, agents or assignees as a result of such exploitation of the laser disk rights within ten days of receipt of this letter.

This letter is not intended, nor shall it be construed to provide a complete statement of all relevant facts, to operate as an admission or waiver or to otherwise prejudice any claims, rights or remedies of Vision International, Epic Productions, Inc., Stone Group Pictures or Scanbox Danmark A/S, all of which are hereby expressly reserved.

Very truly yours,

A handwritten signature in cursive script that reads "Christy Peterson".
