"A MIRACLE OF ORIGINALITY." — *New York Post*

*Miracle on 34th Street* is an irresistible fable that has, for many years, become synonymous with celebrating Christmas. And now this three-time Oscar®-winning tale is as colorful and resplendent as the holiday itself in an all-new, colorized Blu-ray version that's sure to delight fans old and new!

The holiday season is in full swing when a cultured gentleman with twinkling eyes, an ample belly, and a snowy beard (Edmund Gwenn) is hired as Macy's department store Santa. He claims his name is Kris Kringle, and soon fills everyone with Christmas spirit...except for his boss, Doris Walker (Maureen O'Hara), who's raising her daughter (Natalie Wood) to *not* believe in Santa. But when Kringle is declared insane, and put on trial, everyone's faith is put to the test as young and old alike face the age-old question: Do you believe in Santa Claus?
